*a little bit more*

Hi there! I'm Josephine and  
in 2022, I founded a small  
company with a big heart.  
Here's my story.

# about us

I grew up in an entrepreneurial family and by seeing so much passion it naturally became my dream to also become an entrepreneur myself one day.

In 2017, I went on a wonderful adventure and moved to Valencia Spain. Living there, I quickly fell in love with the Spanish lifestyle and weather.

Back home, I noticed how dull most interiors were and I wanted to bring a ray of Spanish sunshine into my home.

Since I couldn't find on the market what I was looking for, I decided to design it myself. I instantly started drawing and painting the first prototypes.

The choice of ceramics came naturally, as I grew up in it. My parents have a company specialised in colourful ceramic animals, called Pomme pidou.

Fastforward to 2022. I finally got the hang of it and designed my first collection. Qué Rico was born!
